

# We Celebrate!

We love to celebrate the accomplishments of our students!

Students can earn "Extraordinary Behavior Referrals" from staff members when they exhibit good behavior that goes beyond what is expected. Pictures are posted on Facebook each day for these students.

Each month, teachers recognize one student from each class who has demonstrated positive character traits for the month. These "Students of the Month" are celebrated and recognized for their efforts! Pictures are posted on Facebook each month.

Students in first and second grade have the opportunity to read books and take AR test to earn Dog Tags for every 5 AR points they accumulate.

## End of Year Benchmarks

## PCPS ASP

PCPS operates a public after school program for grades K-2 from dismissal until 6:00. The fee is \$55 per week.

Due to high demand, a lottery drawing takes place each spring to determine which students are eligible from those who have applied. The program is currently full. If you would like to put your child on the waiting list, please email Lori Beth Reeves, the ASP coordinator at: reevesl@pike.k12.ga.us
