

## View Student Grades

Welcome **Parents/Guardians!** Monitoring and having access to your child's information can play a vital role in their success at school. Parents/Guardians of children in grades K–12 have access to class schedules, attendance records and grades through the [PowerSchool Public Portal](#) which is an easy-to-use, secure communications tool. The PowerSchool Public Portal also enables parents/guardians to verify household information, including their email address, home address and telephone numbers. If you have any changes that need to be made to your information, please email the school registrar.

**Returning Users** - Please click the [PowerSchool Public Portal](#) link here or below and log in using your username and password. *(If you are having issues, click on Forgot Username or Forgot Password on the sign page of the portal.)*

**New Parent Portal Users** - Please email your child's school registrar (email links listed below) and request an Access ID and Access Password. *The Parent Portal Activation Key cannot be provided over the phone.*
