Breakfast and Lunch

- Breakfast is \$ 2.50.
- Lunch is \$ 4.00.
- Students may bring lunch from home if preferred.
- Due to the number of students we have in the cafeteria in the mornings, we are unable to have visitors for breakfast. Thank you for understanding.
- We will begin accepting lunch visitors after the first six weeks of school.
- Check with your child's teacher for their specific lunchtime.

Clothing

Students should wear comfortable clothes that they can manage themselves in. Remember that Pre-K is very active and hands-on. Your child will probably get dirt, paint, and food on their clothes during the school day. Students should always have a clean change of clothes.

We play outside, and the children will need shoes to run and climb. We recommend socks and tennis shoes.

We also need all students to be potty-trained. We are not set up to change diapers like a daycare is.

Daily Schedule

- Our instructional day begins at 8:00 a.m.
- Breakfast eaters should arrive by 7:40 a.m.
- Car Riders are released at 3:05 p.m.

Your teacher will provide a daily
classroom schedule.

Morning Car Riders

- Parents and guardians must remain in cars. No visitors are allowed in the building during student arrival.
- Staff are on duty from 7:25-8:00 a.m. Students may not be dropped off before 7:25.
- After 8:00 a.m., you will need to walk your child into the building and check-in.
- Students must exit on the passenger side.
- For the safety of your child, do not allow him/her to exit on his/her own.
- Clothing, shoes, and bows should already be put on before pulling up in the carline.
- If your child cannot exit quickly or the driver needs to get out of the vehicle, you will need to pull around and park.
- Pull all the way up to the "STUDENT DROP OFF AND PICK UP SIGN" when unloading.
- Cars will enter and exit in the same place.
- Students are tardy at 8:05.

Afternoon Carline

- Parents and guardians must remain in cars. No visitors are allowed in the lobby during dismissal.
- Students must be loaded on the passenger side.
- Students must be strapped into car seats or booster seats. You can pull up and over to the side if your child needs help buckling up.
- Afternoon dismissal begins at 3:00. All students must be picked up before 3:10.

Miscellaneous

- All money should be sent in an envelope with child's name, teacher's name, purpose of money, and the amount written on the envelope.
- Toys, jewelry, etc. should not be brought to school.
- Label all items - jackets, coats, book bags, change of clothes, blankets, water bottles, ...EVERYTHING!
- Teachers are not available in the mornings. If you have any concerns, please see Ms. Smith in the office. She will be happy to assist you.

Let's Talk About Attendance

- ✓ The State of Georgia Department of Early Care and Learning (DECAL) checks our attendance records. If a child is absent for more than 10 consecutive days, has a pattern of leaving early, or is chronically tardy he/she may lose their space in the program.
- ✓ We want your child to come to school every day, but if he/she has a temperature of 100 degrees or more, he/she must stay at home.
- ✓ A child who is contagious (with or without fever), must stay at home.
- ✓ Students should be free from fever, vomiting, and diarrhea for 24 hours before returning to school.
- ✓ Upon returning to school, students should have a parent or doctor's excuse.

Transportation Changes

- ☐ Transportation changes must be in written form. Place a note in the zip pocket in the folder.
- ☐ Otherwise, the request to change transportation must be faxed (1-678-359-9850) or emailed to smitham@pike.k12.ga.us BEFORE 1:30 P.M. along with a photo of your driver's license.
- ☐ Please do not call or text teachers with transportation changes.
- ☐ Please do not leave transportation changes on our Voice Mail.

Required Documentation

If any documents are missing from your child's file you will receive a letter requesting the missing documents. You will have 48 hours to submit any missing documents.

Behavior

- We are in the business of teaching children. This means we also teach them how to behave and get along with others.
- However, children may be unenrolled from the Pre-K Program if they are hurting themselves or others and/or chronically disruptive to the extent that they are not benefiting from the Pre-K Program.
- This would be a last resort.
- Students with chronic behavior problems will be placed on a behavior plan.
- Some consequences for misbehavior are:
 - Counseling
 - Warning by teacher
 - Denial of privileges or time-out
 - Note home or parent phone call
