

Georgia Department of Education School Climate Survey  
PASSIVE PARENTAL PERMISSION FORM

The Georgia School Climate Survey is designed to provide actionable data for district and school leaders to make schools a safer and more engaging place to learn. The number of questions for students have been reduced to minimize the time required for administration of the survey. All student survey data is anonymous and self-reported.

The Protection of Pupil Rights Amendment (PPRA) gives you the right to opt your child out of participating in the survey. If you **do not wish** for your child to participate in the Georgia School Climate Survey, **please sign and return this form** to the school by \_\_\_\_\_.

If you would like to examine the survey, please contact the school counselor at \_\_\_\_\_, and we will be happy to provide you with a copy for your review.

This form should only be signed and returned if you would like to opt your student out of the survey administration.

I would prefer that my child **NOT** participate in the Georgia School Climate Survey.
